EVERY BANGALOREAN KNOWS IT.

## BEAUTIFUL BANNERGHATTA

*Bannerghatta Road, a well-known thoroughfare in Bengaluru, stretches 49 kilometers from Hosur Road near Adugodi to Anekal.*

Named after the iconic Bannerghatta National Park, this state highway serves as a vital connection to the surrounding areas.

To alleviate traffic congestion, the road was widened in 2011 by the Mahanagara Palike. The NICE Road, a major expressway, intersects Bannerghatta Road near Gottigere, providing convenient access to other parts of the city.

The Bengaluru Metro's Pink Line is making significant strides, offering residents a promising opportunity. With 75% of work on the 12 underground stations completed and 13.76 km of tunneling underway, the project is well on track.

While Bannerghatta Road has become a bustling commercial hub, it also boasts several well-developed residential areas, offering a range of attractive properties for those seeking a comfortable and convenient lifestyle.
